If your device is not listed here, please call 1-866-866-6285 to determine which service fee or deductible applies to your device.

* Your new Apple device is eligible for AppleCare Services during the first 24 months from the date you purchase the device from T-Mobile and enroll in a plan that includes AppleCare Services, and as long as your plan coverage remains uninterrupted. Once your Apple device is no longer eligible for AppleCare Services, our obligations to you under the Service Contract will be provided by another authorized provider. Should you lose AppleCare Services due to non-payment or device ineligibility, the Service Fee for Accidental Damage will increase to an amount equal to the Service Fee/Deductible for Loss/Theft.

** The Service Fee for Hardware Service (mechanical breakdown) is \$0 when service is provided at Apple Stores, Apple Authorized Service Providers, and through Apple's mail-in repair service. There is a \$5 Processing Fee when devices are exchanged through T-Mobile.

† For iPhones: Within the first two Accidental Damage Claims, the Service Fee for screen damage only is \$29 when service is provided at Apple Stores, Apple Authorized Service Providers, and through Apple's mail-in repair service; for all other Accidental Damage claims, and once you have used your maximum two accidental-damage claims through AppleCare Services, the Service Fee is \$99.
