* If you switch your device to one that is classified in another tier, and as device depreciation adjustments are made, the monthly charge for your new tier will be reflected on your T-Mobile bill.

** Claim limits apply. Refer to coverage documents for details. For customers who have changed their T-Mobile account number, any approved claims under the previous account number will continue to apply toward the limit. When you receive a replacement device, you'll need to return your damaged/malfunctioning device to avoid being charged an **Unrecovered Equipment Fee** (nonreturn fee) equal to the retail price of the replacement device plus applicable shipping costs.

† There is a \$5 processing fee collected by T-Mobile when devices are exchanged through T-Mobile.

†† Applies to the first two screen damage claims when service is provided through an Assurant-authorized repair center; for all other accidental damage claims, and once you have used your maximum two accidental damage claims through AppleCare Services, the service fee is \$99. For customers bringing their eligible Sprint® iPhone to the program, any previous AppleCare Services benefits will be applied toward this limit.
